

Nonprofit Spotlight

CapTrust is honored to sponsor a large number of charitable organizations and we are proud to count many of them as CapTrust clients. We wanted to take this opportunity to highlight one of the many worthy organizations we support:

For over 117 years, The Children's Home has sought to create a community where children and families feel loved, nurtured and safe through a variety of programs that help nearly 9,000 adults and children each year.

Their services:

- Heal the trauma of abuse and neglect for 120 children in residence at their Memorial Highway (Tampa) campus.
- Help find forever families for over 1,200 adults and children through therapeutic and traditional foster homes, community-based care and kinship services.
- Strengthen families by providing prevention and intervention services for over 5,600 adults and children each year, at four locations, providing family support and outreach throughout the Tampa Bay Area.

We encourage you to visit their website and learn more about The Children's Home and the wonderful work they do in the Tampa Bay community.
